Bab Buddies

In our videos we will show our experiences and adventures which will include like cooking,
yeah, and play games...

Diya on Korea

It's very difficult for me to pin point one reason why I love Korea.

The first time I visited Korea, I just fell in love with everything. It means it's the people, it's the
culture, it's the language, it's the food.

JENNY

I created my channel back in 2008, where I have been uploading and creating a lot of videos
for people to enjoy.

The majority of my videos that I upload is about showcasing and promoting Korean Culture to
others.

HallyuTrail

In our channel we try to surprise our audience with various aspects about South Korea, let it
be travel, culture, history, or... who knows? You name it.

Creatives Talk

I create videos about exiting creatives who are challenging their respective fields.
Most recently, I've begun curating content in regards to South Korean creative culture and in
the future hope to lead greater discussions and creative opportunities for a diverse
professional community.

K-Ultureta

In Spanish cultureta is a person who claims to have great knowledge of something without
actually having it. And when it comes to Korean culture I feel like that's me, I'm still learning.

Lia 리아

I make videos about K-Pop, concerts, journaling and stationery and soon I'll be making videos about my life as a university student studying languages and Asia Pacific Studies!

Serenaland

I love doing videos about Korean culture, it can be anything! It can be Korean Language, Korean Food, Korean Music, Korean Outfits, Korean Beauty, Korean Skincare. I love Korean Culture!

Frankly Us

So, if you are into Korean Culture, K-pop, K-Dramas, skincare, and much more, this is the channel for you.

Welcome to my journey into learning all about Korean Culture.

Kultur Korea

My name is Mimi and I'm the YouTube creator for the channel called Kultur Korea. I will be looking into Korean history, Korean traditions, Hansik cooking, k-beauty and k-fashion, music, which is one of my favorites, as well as amazing places you can visit when you can finally travel to Korea yourself.

Yena 예나

안녕하세요 여러분 예나입니다, and I have a channel called Yena on YouTube. I first became interested in Korea because I had a Korean roommate when I lived in Australia many years ago, and she introduced me to everything from Super Junior to Coffee Prince to Dukkbokki.

I'm using my channel to indulge in my passion for Korea while living here in London by learning the language, watching dramas and movies, listening to music, making food, eating a lot of food, and basically everything in between.

Moonchii

Yes, pretty much just random videos.

HallyuTrail

So come on our journey with us and... you won't be disappointed.
